It is stated in the affidavit that the purported loan cannot be recovered under the Bengal Money Lenders Act because the Financial Creditor does not have any licence under the aforesaid enactment and therefore, is not entitled to recover any alleged loan. The amount claimed by the Financial Creditor has been specifically denied by the Corporate Debtor by the Corporate along with interest and liquidated damages thereon the Corporate Debtor has denied all the

annexures enclosed with the petition and has submitted that the petition should be dismissed with cost.

It is submitted that the Corporate Debtor is taking up baseless and frivolous grounds to stall the CIRP which is liable to be initiated in respect of the Corporate Debtor. The pendency of the proceeding before DRT, Patna has no relevance in the present proceedings. It is denied that the present proceedings are not maintainable or that Stressed Assets Stabilization Fund is incorrectly claiming itself to be the Financial Creditor or that the petition is not maintainable. It is denied that any licence is required under Bengal Money Lenders Act. It is denied that the calculation given in the said application is incorrect. back to the Financial Creditor and has placed on record the following documents :-

- i. 45. The Financial Creditor proposed the name of **Mr. Ajay Kumar Agarwal**, to act as an IRP having Registration No. **IBBI/IPA-002/IP-N00608/2018-2019/11859**, who has consented vide his affidavit and Form-2 and submitted that he has agreed to accept the appointment as IRP if an order admitting the present application is passed by this Adjudicating Authority. He has further submitted that no disciplinary proceedings are pending against him with the Board or Institute of Insolvency Professionals of ICAI.
46. During the course of arguments, the Financial Creditor has submitted that the Corporate Debtor had availed various credit facilities from IDBI from 25th August, 1998 till 4th December, 1999 to the tune of Rs. 21,24,26,073.00(Rupees Twenty One Crores Twenty Four Lacs Twenty Six Thousand and Seventy Three only), and has defaulted in repaying the loan amount due to which the account of the Corporate Debtor became an NPA on 1st July, 2001. It is stated that the account of the

Corporate Debtor was assigned to the applicant formed by the Government of India for taking over the bad debts of IDBI. Due to such default, the Financial Creditor was constrained to initiate present proceedings under section 7 of the Code for the Corporate Insolvency Resolution Process of the Corporate Debtor.

47. It is submitted that the present application was filed for non-payment of debt by the Corporate Debtor to the tune of Rs. 895,13,86,494.00 which comprises of principal, interest or further interest and liquidated damages as on 1st July, 2018. It is submitted that the loan was duly disbursed to the Corporate Debtor and the Corporate Debtor had availed various credit facilities from IDBI on and from 25th August, 1988 till 4th August, 1999 to the tune of Rs.21,24,26,073/-, Annexure-G at pages 53-63, Volume-I of the petition.
48. It is submitted that the Corporate Debtor had executed numerous security documents viz. Deed of Mortgage, Deed of Hypothecation, Deed of Guarantee, Memorandum of deposit of title deeds etc. and accordingly the charge had been created on the properties mortgaged with the Financial Creditor. Copies of all the documents are annexed with the petition. It is submitted that to further corroborate, the Corporate Debtor had been acknowledging its debt and admitting default through its financial statements and balance sheets from 2001-2019, due and payable to the Financial Creditor i.e. Annexures A, C to O of the supplementary affidavit and Annexure EEE of section 7 petition in a recurring manner.
49. The Financial Creditor has further submitted on the point of limitation that the account of the Corporate Debtor was classified as an NPA on 1st July, 2001 and that the Corporate Debtor has admittedly acknowledged its liability due and payable to the Financial Creditor in its financial statements and other related documents from 2000-01 to the year

ending 2018-19 thereby unequivocally conceding to its liability towards the Financial Creditor. It is submitted that constant acknowledgement of debt and admitted liability can be evidenced from the pleadings made in the application, and the supplementary affidavit of the Corporate Debtor including the balance sheets/ annual return filed by the Corporate Debtor.

50. It is submitted that from the letters and balance sheets of the Corporate Debtor, it would be clear that the Corporate Debtor duly acknowledged the debt in the balance sheets. It is submitted that the balance sheets fall within the ambit and scope of documents which are accepted as written acknowledgement under section 18 of the Limitation Act, 1963. Ld. Counsel referred to various judgments of the Hon'ble Supreme Court as well in support of his arguments. He submitted that in ***Sheoraphuli Co-operative Bank Ltd. and Another, 2021 SCC Online SC 244(Annexure-C-I to the petition) (Paragraphs 66,68-69) and Laxmi Pat Surana v. Union Bank of India 2021 SCC Online SC 267 (Annexure C-II to the petition) (Paragraphs 41 & 42) , the Hon'ble Supreme Court*** has precisely held that Section 18 of the Limitation Act is applicable in respect of the Code, 2016.
51. Similarly, the ***Hon'ble Supreme Court subsequently in Asset Reconstruction Company v. Bishal Jaiswal & Anr. 2021 SCC Online SC 321 (Annexure C-III to the petition) (Paragraphs 34,40-45)*** has held that acknowledgement or entry or recording in the balance sheet is to be regarded as legitimate admission hence the claim is precisely within the limitation period. The Corporate Debtor vide its balance sheet had effected written acknowledgement of its debts successively from 2000 and lastly in 2019 thereby extending the period of limitation for three years and/or fresh cause of action from such recording. In the present case, the corporate debtor has with regard to the balance sheets the same being a valid document under section 18 of the Act, 1963 accepted the debt and acknowledged its liability towards

the applicant thereby extending the period of limitation by such balance sheet recording.

52. It is further argued that the Financial Creditor has filed the balance sheets by way of Supplementary Affidavit, and has contended and pleaded the significance of the balance sheet entries and the acknowledgement of the debt and default in respect of the same. The ***Hon'ble Apex Court in Dena Bank versus P.Shivkumar Reddy, 2021 SCC Online SC 543,(Annexure C-IV to the petition) (Paragraphs 91, 110, 113, 114, 118,141 to 144)***, has clearly held that there is no estoppel in filing additional documents for substantiation of the claim of the creditor hence the balance sheets submitted are stated to be a part and parcel of the Section 7 petition and to be considered while adjudicating the debt, default and limitation.
53. It is submitted that besides the above facts, the debt and default shall also be evident from the information utility filed with this Adjudicating Authority obtained from the official portal of NESL which may be drawn to page 5 of the supplementary affidavit filed by the Financial Creditor of 24th February, 2021.
54. During the Course of arguments, the Ld. Counsel for the Corporate Debtor has submitted that the application under section 7 of IBC, 2016 should be dismissed on the ground that no date of default is mentioned. Requirement arises in view of sub rule (1) of rule 4 and Form-I contained in the Insolvency and Bankruptcy (Application to Adjudicating Authority) Rules,2016. Such requirement of giving the date of default is not an idle formality but enables the court to adjudicate on the issue of limitation, which is a duty cast on the court under section 3 of the Limitation Act. Annexures indicating the date, is not sufficient compliance.
55. It is submitted that secondly, the petition deserves to be dismissed as being barred by limitation. In the petition, there is no averment that can save or extend the period of limitation. Explanation in a petition is

necessary [2020 SCC Online SC 647 @ Paragraph 96]. By filing a supplementary affidavit, the case or grounds in the petition cannot be amplified. [2003(4) Comp LJ 333 Cal @ paragraph 33].

56. It is submitted that In **Babulal Vardharji Gurjar vs Veer Gurjar Aluminium Industries Pvt. Ltd. and Anr.** [**2020 SCC Online SC 467 @ Para 96**], the Supreme Court has held that *“The question of limitation is essentially a mixed question of law and facts and when a party seeks application of any particular provision for extension or enlargement of the period of limitation, the relevant facts are required to be pleaded and requisite evidence is required to be adduced.”* The Supreme Court has also held in the same paragraph that *“Even if section 18 of the Limitation Act and principles thereof were applicable, the same would not apply to the application under consideration in the present case, looking to the very averment regarding default therein and for want of any other averment in regard to acknowledgement.”*
57. It is submitted that, it is necessary that a petitioner should disclose facts and evidence in his application and if he does not do so, it would not have the benefit of extension or exclusion.
58. It is submitted that in the present case, the date of default is not mentioned, however, from elsewhere, (page 53 of the petition) it becomes evident that the NPA date was 1st July 2001. Therefore, the petitioner is seeking extension of the period of limitation without any averment or statement in the petition or any evidence being disclosed.
59. It is submitted that the Financial Creditor has filed a supplementary affidavit relying on balance sheet of the corporate debtor. Page 303 and 306 of the supplementary affidavit have been relied upon. There is, however, no admission of liability or of any amount in either of the two

pages. In none of the balance sheets is there any admission of liability or promise to pay within the meaning of the Limitation Act. Further, the letters relied upon are of 2005 and 2006 and cannot assist the Financial Creditor. Admission has to be clear and unambiguous.

60. It is submitted that furthermore, the Supplementary Affidavit cannot be looked into or considered. By filing a supplementary affidavit, the case or grounds in the petition cannot be amplified. (2003 (4) Comp LJ Cal @ paragraph 33].
61. It is submitted that the supplementary affidavit which has been filed by the Financial Creditor, discloses balance sheets and annual reports. None of these constitutes an acknowledgement of debt or a promise to pay or has the effect of extending or excluding limitation, within the meaning of the Limitation Act 4.
62. It is submitted that the Financial Creditor has also relied upon a letter dated 8th March,2002 [page 14 of Supplementary Affidavit], letter dated 19th April,2005 [page 21 of Supplementary Affidavit] and a letter dated 24th January 2006 [page 26 of Supplementary Affidavit). While none of these three letters constitute a promise to pay or can be used for extending the period of limitation, it is also submitted that at best, these letters would have the effect of extending the period of Limitation to 2009. Calculating three years from 2009, the Financial Creditor would have to file the petition by 2012.The petition is of 2018. The NPA date is 1st July, 2001 (Annexure G page 53 of the petition).
63. Ld. Counsel for the Financial Creditor in reply to the arguments of the Corporate Debtor has submitted that the arguments of the Corporate Debtor that additional documents cannot be accepted as the same is in complete contradiction to the judgment of the Hon'ble Supreme Court as

held in ***Dena Bank vs. P.Shivkumar Reddy, 2021 SCC Online SC 543***. It is reiterated that this Adjudicating Authority, for the adjudication of the debt and default made at any juncture deliberate additional documents and there is no estoppel to the same. Hence, the purported claim of the Corporate Debtor objecting to reliance being placed on such documents filed by way of supplementary affidavit is liable to be rejected. It is argued by the Ld. Counsel for the Financial Creditor that Section 7(4) of the Code clearly states that the Adjudicating Authority shall, within 14 days of the receipt of the application under sub section (2) ascertain, the existence of a default from the records of an information utility or on the basis of other evidence furnished by the Financial Creditor under sub section 3.

64. Ld. Counsel further argued that the Hon'ble NCLAT in Company Appeal (AT) (Insolvency) No.385 of 2020 vide its order dated 10th December, 2021 has categorically held that without amending the relevant column in Section 7 Application, a Financial Creditor can bring relevant material on record before the Adjudicating Authority by way of Supplementary Affidavit, rejoinder affidavit and the additional affidavit, which materials can be looked into and non-amending of relevant column in Form-1 shall not preclude the admissibility of the materials brought subsequently by way of supplementary affidavit or additional affidavit.
65. It is submitted by the Corporate Debtor that there is no pleading in section 7 petition or the affidavits with regard to limitation. In such context, it is submitted by the Financial Creditor that the contention of the corporate debtor is palpably incorrect as the Financial Creditor has specifically contended in section 7 petition and the supplementary affidavit has duly dealt with limitation and that the debt has been acknowledged by the Corporate Debtor in its financial statement and balance sheets for successive years from 2000 to 2019. It is submitted that the applicant has categorically mentioned about acknowledgement of debt by the Corporate Debtor by way of its recordings in the balance

sheets and the restructuring proposal letters and more particularly the averment made in para 4 of the said affidavit wherein the Financial Creditor has expressly stated that *“I say that there have been continuous acknowledgements of debt by the Corporate Debtor and no part of the Financial Creditor’s claim is barred by limitation.”* Therefore, the stand of the Corporate Debtor is contrary to the documents placed on record before this Adjudicating Authority and is liable to be rejected. It is finally argued by the Ld. Counsel for the Financial Creditor that the debt and default are within the prescribed period of limitation and the same is duly enforceable in the eyes of law and there is apparent admission of debt and default on the part of the Corporate Debtor. Therefore, the petition under section 7 holds sufficient grounds for admission and should be admitted and the application made by the Corporate Debtor is required to be rejected.

66. We have heard Ld. Counsel for the parties at great length. The Financial Creditor has taken us through various documents including the petition, supplementary affidavit and their respective annexures, and has sufficiently proved the disbursement of the loan, the outstanding financial debt, and the default. It has been proved that the loan has been acknowledged in consecutive years from 2002 to 2019 and that the petition has been filed within limitation, and is not time barred as was argued by the Ld. Counsel for the Corporate Debtor
67. The petition is otherwise complete in all respects.
68. In these circumstances, we are satisfied that the petition deserves to be admitted, we, therefore, pass the following orders:
